**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. Only AT&T and Comcast are available here locally. Both are expensive and offer poor service. Make room for competition and improved service from a small local business. Without the requirement for a landline if possible. Verizon cell service works well. Thank you.
